IT RETURN FILING - FY 2018-19

Taxes can be one of the most intimidating thing that can happen to somebody. Filing income tax return not knowing what all should be reported can take the stress to a whole new level. But the time to worry is over coz here at **Wealth Cafe**, we have created the tax solution to help you with your tax needs! However, if you're not yet ready to work with a professional, and would prefer to D-I-Y filing your tax returns, use this checklist to help properly prepare your returns.

FYI, this checklist will help you identify the items you may need to gather. However, nothing replaces working with a professional that will help ensure your taxes are accurate and help you analyze to ensure you get the best possible tax savings!

Visit www.wealthcafe.biz/tax for professional high quality support for your business taxes.
